The Orthodox Church Is The Only Major Religion Declining Globally

Among Christians globally, Orthodox share falling, Catholic, Protestant shares increasing

% of world Christians who are ...

Note: "Protestants and other Christians" includes Mormons, Jehovah's Witnesses, Christian Scientists and other small Christian groups.

Source: 1910 data from World Religion Database. 2010 data from Pew Research Center analysis of censuses and surveys, originally published in 2011 report "Global Christianity." "Orthodox Christianity in the 21st Century"

Where Is The Only Growing Orthodox Church Globally

A century ago, all three major branches of Christianity were concentrated in Europe. That is still the case for Orthodox Christians, but not Protestants and Catholics

% of each group living in each region, 1910 and 2010

What Does The Diving Liturgy Look Like The Only Place It Is Growing Globally

Scan the Horizon and Look At

Factors, Issues, Trends

Social (cultural, demographic, population growth, lifestyle...)

Technological (innovations, automation, skilled resources...)

Economical (economy, inflation, interest rates, credit access...)

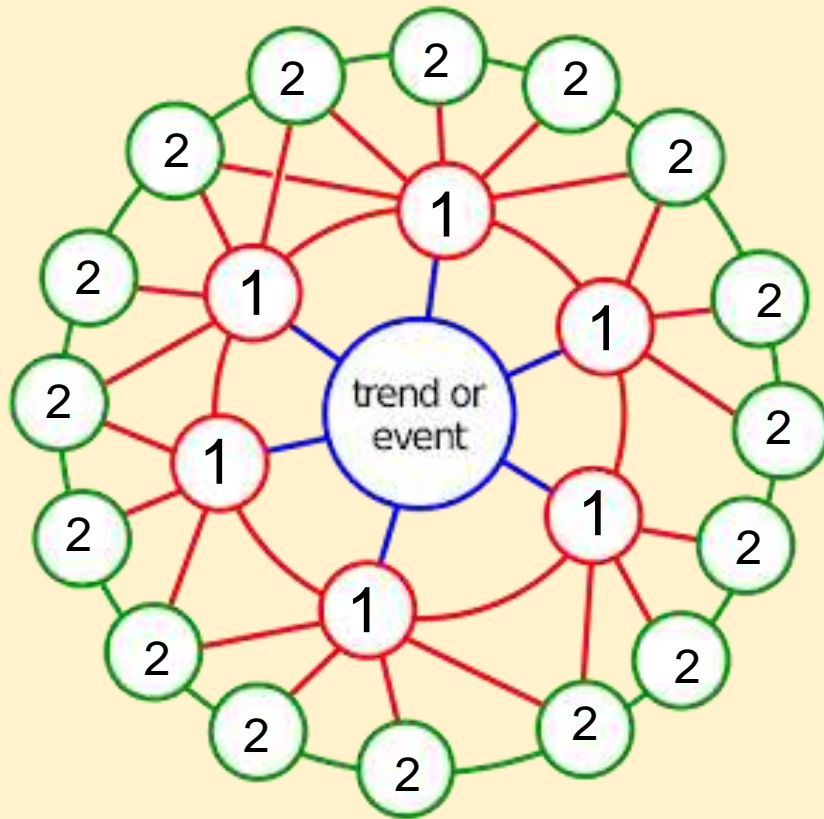

Environmental (use consumption, weather, waste, resources...)

Political (governmental policy, political stability, economy, tax policy...)

Legal (zoning, courts, health & safety, discrimination, equal opportunity...)

Ethical (trust, reputation, business ethics, morals, confidentiality...)

A Glimpse Into The FUTUREs Wheel?

A trend or event is the driver of change in the center (the “**Domain**”) and lights the fuse to the future (**blue circle**)

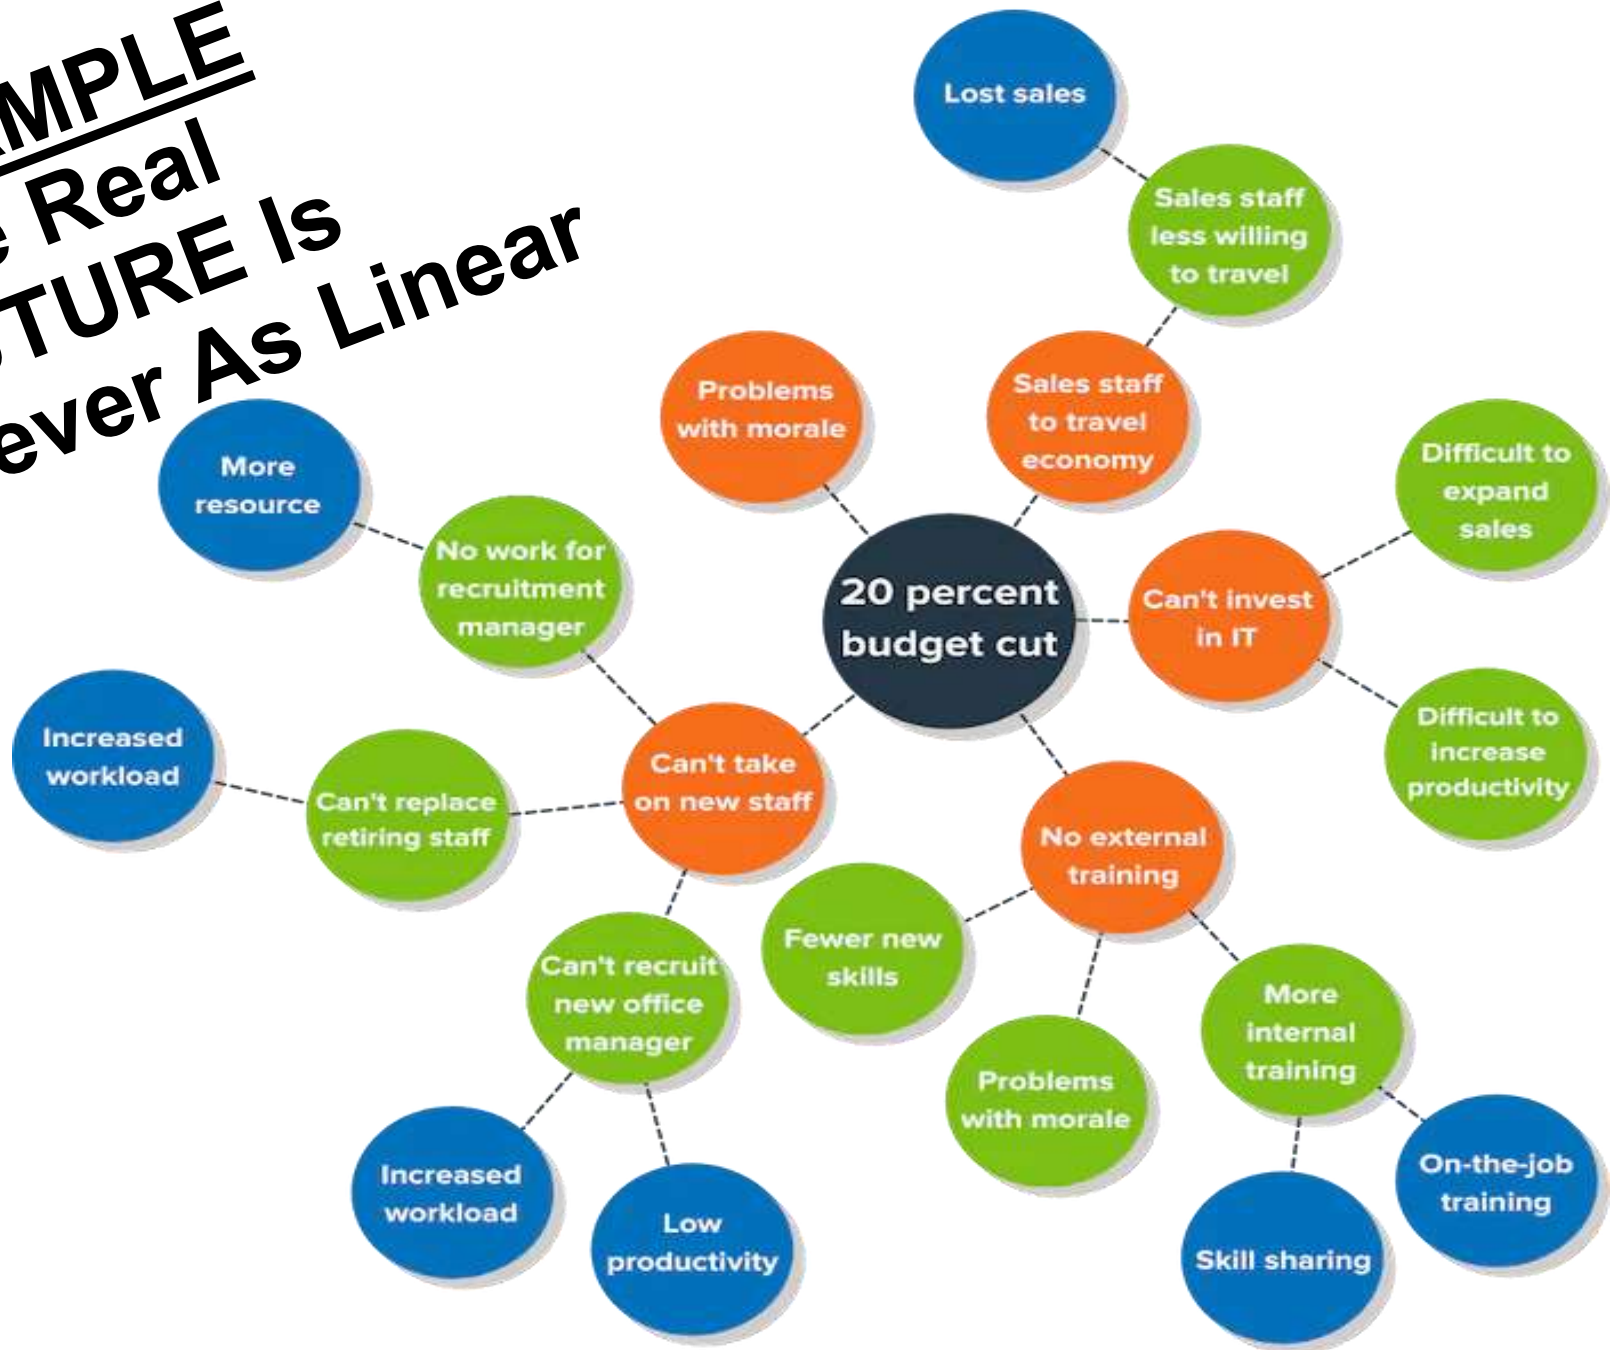

The initial “**1st Order Impacts**” are the possible corresponding results or consequences of the Domain event (**red circles**)

The secondary “**2nd Order Impacts**” are the results or consequences from the 1st Order Impacts (**green circles**)

**WHAT WOULD
YOU DO IF
YOU WEREN'T
AFRAID?**

A sunset over a body of water with a small island in the distance. The sky is filled with colorful clouds in shades of orange, red, and purple, with the sun low on the horizon. The water reflects the colors of the sky. A small, dark island is visible in the middle ground.
